

# Application for Use of the NLGI Certification Mark

To NLGI Officials:

Application is hereby made for authorization to use the official **Certification Mark** of NLGI relating to ASTM D 4950 Standard Classification and Specification for Automotive Service Greases in the sale of the following product(s):

	Category	Performance
Brand Name(s) and NLGI Consistency Number(s)	Group <sup>1</sup>	Classification <sup>2</sup>

<sup>1</sup>Per latest revision of ASTM D 4950 Sections 3.1.5 to 3.1.7. (Indicate G: Wheel Bearing; L: Chassis; or G & L)

<sup>2</sup>Per latest revision of ASTM D 4950 Article 4 in accordance with the latest rules of NLGI, including any amendments or modifications that may hereafter be adopted. (Indicate GC, LB, or GC/LB)

Applicant encloses herewith a Statement of Applicant’s Qualifications, together with *two* executed copies of the Certification Mark User Agreement, and requests that the Institute accept the Certification Mark User Agreement and issue the permission to use. The required Application Fee is enclosed, along with our User Fee for one year.
