Schaeffer's Specialized Lubricants: Product Innovation Specialist
Named Executive VP of Operations

(ST. LOUIS, Feb. 5, 2018) – Given his stellar leadership guiding product innovations, implementing operating efficiencies, and other accomplishments, Jim Carroll has assumed the newly-created position of executive vice president of operations, company officials announced today.

With Schaeffer's Specialized Lubricants for 20 years, Carroll previously served as the vice president of technical services. In his new role, Carroll will continue to oversee the company's product innovation initiatives, internal and external lab services, quality-control, and field support to the company's 500 sales associates, while also expanding his supervisory responsibilities to include internal and external materials management and logistics, and production as well as manufacturing engineering for the production plant.

Carroll is a retired colonel in the United States Army and a highly-decorated combat veteran. He served in Operation Desert Shield/Desert Storm in Saudi Arabia, Kuwait and Iraq, Operation Iraqi Freedom in Iraq and Operation Enduring Freedom in Afghanistan. Military decorations and awards include: Legion of Merit, Bronze Star (2 awards), Meritorious Service Medal (3 awards), and Combat Action Badge.

About Schaeffer's Specialized Lubricants

Founded in 1839, Schaeffer's Specialized Lubricants is a sixth-generation, family-owned company that delivers the right solution to every lubrication challenge. Schaeffer's products

provide strong equipment durability and fuel economy benefits, allowing customers to maximize their equipment's efficiency and return on investment.
