

NLGI Membership Application

Manufacturer **\$995** per year

For individuals, partnerships or corporations manufacturing lubricating grease from basic raw materials.

Supplier **\$995** per year

For individuals, partnerships or corporations engaged in a business allied with or supplementary to the manufacturing of lubricating grease, but not a manufacturer or marketer of lubricating grease.

Marketing Two-Tier Membership

For individuals, partnerships or corporations engaged in the marketing or selling of lubricating grease, but not a supplemental business or a manufacturer of lubricating grease. Dues are based on annual poundage (excluding gear and extreme pressure type oils) marketed and invoiced in the preceding calendar year as follows:

Less than 5 million pounds **\$660 Low*

*** More than 5 million pounds **\$995 High***

Technical **\$375** per year

For individuals, partnerships or corporations engaged in technical or scientific research, education or consulting and do not fit in the definition of Manufacturer, Supplier, Marketing, or Consumer membership.

Consumer **\$375** per year

For individuals, partnerships or corporations that are end users only of lubricating grease and/or gear lubricants and do not fit in the definition of Manufacturer, Supplier, Marketing, or Technical membership.

Academic **\$50** per year (Membership available to academic institutions, students and professors)

Academic institutions with degrees/programs in tribology or a related field, students majoring in a related field or professors teaching in a related field.
