

Call For 2020 Papers

“The Music of Greases, it’s in the Composition”

Would you be interested in presenting a paper on the above mentioned theme at our forthcoming AGM 25-28 April 2020 in Hamburg, Germany?

Our 2020 theme topics of interest can include, but are not limited to:

- Performance of Greases
- Composition of Greases & Food Grade Greases
- Instruments used in the measurement & evaluation of Greases
- Conducting surveys, field tests; application...

2020 Call for papers topic and author information ([Link](#))

2020 Guidelines for speakers on technical presentations at the ELGI AGM ([Link](#))

If yes, do send your paper proposal by completing the author information form by 20th October 2019 to the ELGI. Papers that tie in with the 2020 theme will be given high priority. Other topics of interest to the grease industry are welcome and will be considered too. We have space for 14 papers only, so do submit paper abstract on time.
