### 2022 NLGI 89<sup>th</sup> ANNUAL MEETING COVID-19 INFORMATION

NLGI is pleased to be moving forward with its in-person Annual Meeting June 12 -15, 2022 in Toronto, Canada. NLGI prioritizes the health and safety of all attendees, staff, and partners by respecting and complying with hotel, local, state, and federal COVID-19 restrictions, mandates, guidelines, and protocols. Given the evolving nature of the pandemic (including the spread of the variants), NLGI will continue to monitor actively any changes in these restrictions, mandates, guidelines, and protocols, and we reserve the right to implement other measures to ensure optimal health and safety conditions in all environments where in-person interactions take place during the annual meeting.

The NLGI Leadership asks for your continued support, flexibility, cooperation and understanding as we move forward to present a safe and successful event. Attendees' commitment to act responsibly with respect to their own health and the health of others at the annual meeting will be critical to its success.

***Attendees, staff, and partners should stay home and should not attend the NLGI Annual Meeting if they have tested positive for COVID-19, are awaiting their COVID-19 test results, have COVID-19 symptoms, or of they have been in close contact with a person who has tested positive for COVID-19 or who has symptoms of COVID-19.***

#### **NLGI COVID-19 Protocols:**

At this time, NLGI is implementing the following COVID-19 safety and wellness measures:

- Hand sanitizing stations will be provided in, or adjacent to, the meeting and function spaces.
- The Hotel currently recommends each person, regardless of vaccination status, wear a face mask always covering his or her mouth and nose when indoors except when eating, drinking, or taking medicines. While face masks currently are not required for outdoor events and activities, wearing face masks at such events and activities is a personal decision.
- Physically distance (at least three (3) feet) from other people whenever possible.
- Follow directional signage and other unique visual cues (e.g., signs, tape and floor decals,) regarding entering and exiting meeting spaces. Following the conclusion of each session, please leave the meeting room as soon as possible using the designated exit.
- Wash your hands frequently with warm, soapy water for at least 20 seconds and/or use hand sanitizer frequently.

- Please be mindful of coughing and sneezing practices to reduce the spread of germs by covering your mouth with tissues whenever you sneeze or cough, and discard used tissues in the trash.
- Do not share pens/pencils/phones.
- Honor other attendees' personal choices regarding masks, distancing, and personal contact.
- NLGI and the Hotel will provide information on COVID-19 testing for those attendees who experience symptoms onsite and for those who must show proof of a recent, negative COVID-19 test in order to board their return flights.
- Abide by all Hotel rules/policies.
- Abide by all federal, state and local regulations.

NLGI expects that all attendees, staff, partners, and their guests will conduct daily self-screenings and self-monitor for COVID-19 symptoms. During the annual meeting, if you are experiencing COVID-19 symptoms, or test positive for COVID-19, or are exposed to someone who has COVID-19 symptoms or tested positive for COVID-19, we ask that you promptly notify a NLGI staff member and excuse yourself from events and activities and remain in your room until contacted by a NLGI or Hotel staff member. NLGI and Hotel staff will work with you to determine whether and when it may be appropriate for you to return to events and activities. We encourage you to stay abreast of the latest updates on health and safety protocols for the annual meeting.

While NLGI will make every effort to reduce the risk of COVID-19 transmission onsite, it is possible that attendees will contact people in airports, transportation vehicles, hotels, restaurants, and other facilities who could possibly carry the coronavirus.
