

2024 *NLGI Spokesman* Magazine Editorial Calendar

January/February: **Date Due to NLGI: Jan 5, 2024**

President's Podium: Anoop Kumar

William Tuszynski, Andy Waynick
Industry Speak Paper #1 – Thickeners

#2318 Johan Leckner, Sergei Glavatskih, Akepati Bhaskar Reddy
Bevel Gear Grease Case Study Continued – Mechanisms Revealed

#2329 Gareth Fish, Robert Dura, Devon McCune
Six Years On – An Update on Navigating the Lithium Crisis

Interview Anuj Mistry – Grease Product Manager – Fuchs Lubricants Co.

Additional Information: 91st Annual Meeting Information, 2024 Award info, 2024 Abstract info, Committee Update and HPM column

March/April: **Date Due to NLGI: Mar 1, 2024**

President's Podium: Anoop Kumar

#2327 Devin Granger, Renato Baptista De Oliveira, Shoshana Sakolsky
Organic Solid EP Additive for Lubricating Greases

#2334 Benedikt Siewerin, Thomas Tobie, Karsten Stahl
Application of Greases for Gear Lubrication in Powertrains

Interview: Wayne Mackwood – Global Head of Detergent and Grease Technology – LANXESS

Additional Information: 91st Annual Meeting Schedule, 2024 Authors / Abstracts, Committee Update and HPM column

May/June: **Date Due to NLGI: May 3, 2024**

President's Podium: Anoop Kumar

William Tuszynski, Andy Waynick
Industry Speak Paper #2 – Base Oils/Additives

#2304 Kaustav Chaudhuri, Anoop Kumar, Estrella Rogel, Francisco Lopez-Linares, Lee Eddy, Miao Toni, Marym Deldar
The Effect of Thickener Microstructure on Physicochemical and Tribological Properties of Overbased Ca-Sulfonate Complex Greases

#2322 Eamonn Conrad, Jean-Noel Tourvielle, Derek Voice, Mehdi Fathi-Najafi, Jinxia Li
The Response of Phosphonium Ionic Liquids in Lubricating Greases Part 2

Interview: Dr. Ashlie Martini – Professor and Chair of Mechanical Engineering – University of California Merced

Additional Information: 91st Annual Meeting Information, Committee Update and HPM column

July/August: **Date Due to NLGI: Jul 5, 2024**

President’s Podium: Wayne Mackwood

#2319 Masaki Hashimoto
Proposal for Environmentally Friendly Grease

#2309 Erik Willett
Rheology and Tribology of VMs in a Re-Refined EP Grease

Interview Dr. Lauren Huffman – Technical Service and Development (TS&D) Manager – Lubricants and Specialty Fluids

Additional Information: Annual Meeting Recap (Award recipients, photos, statistics on attendees & course participants), Committee Update and HPM column

September/October: **Date Due to NLGI: Sept 6, 2024**

President’s Podium: Wayne Mackwood

William Tuszynski, Andy Waynick
Industry Speak Paper #3 – Test Methods

#2317 Daniela Posselt, Olaf Krutz, Karl Adam, Ivan Delic, Franck Bardin, Pierre Belot
Behavior and Performance of Water Contaminated Bearing Greases in Steel Industry

#2330 Canika Owen-Robinson, William VanBergen, Rich Wurzbach, Sloan Healy
Grease Evaluation Under Oxidative Conditions and Resulting Friction and Pressure Analysis

Interview Olga Lucia Mendez – Engineer and Co-Owner and CEO – Proquimsa S.A.S.

Additional Information: Committee Update and HPM column

November/December: **Date Due to NLGI: Nov 1, 2024**

President’s Podium: Wayne Mackwood

#2311 Carl Kernizan, Raj Shah, Kunle Kernizan
Assessment of the Lubricating Efficiency of Current Greases in Electric Vehicle Applications

#2302 Joe Kaperick
The Matrix Revisited: Exploration of Additive Choice with Different Thickeners Types

#2307 Jacob Bona, Lucas Tomko
Next Generation, High Efficiency Grease for Electric Vehicles (EVs) Developed in Racing Applications

Interview Simona Shafto – Assistant Manager – Koehler Instrument Company, Inc.

Additional Information: Year-End Recap, 2025 Abstract Info, Committee Update and HPM column
