

## 2025 NLGI Spokesman Magazine Editorial Calendar

### **January/February:**      **Date Due to NLGI: Jan 6, 2025**

President's Podium:	Wayne Mackwood  William Tuszynski, Andy Waynick <i>Industry Speak Paper #3 – Test Methods</i>
#2311	Carl Kernizan, Raj Shah, Kunle Kernizan <i>Assessment of the Lubricating Efficiency of Current Greases in Electric Vehicle Applications</i>
#2410	Erik Willett, Functional Products Inc. <i>Viscosity Modifiers Versus Bearing Torque in Greases with Re-Refined Oil</i>
Interview	Pang Ling Ong, Infineum Singapore LLP
Additional Information:	92 <sup>nd</sup> Annual Meeting Information, 2025 Award info, 2025 Abstract info, 2025 Research Grant, Committee Update, Sustainability Series and HPM column

---

### **March/April:**      **Date Due to NLGI: Mar 3, 2025**

President's Podium:	Wayne Mackwood
#2336	Kartik S. Pondicherry, Anton Paar GmbH Paul Staudinger, Anton Paar GmbH <i>Rheology and Tribological Characterization of Grease – From Sub-Zero Temperature to Influence of Electric Field</i>
#2411	Eric R. Sirianni, Jonathan L. Davis, Ethel Garnier, INVISTA Paul Bessette, Triboscience & Engineering, Inc. <i>Polyamides: A Novel Pre-Formed Thickener for Grease</i>
Interview:	Vasu Bala, PhD, Textile Rubber & Chemical Company, Inc. dba TRCC
Additional Information:	92 <sup>nd</sup> Annual Meeting Information, 2025 Abstract info, 2025 Research Grant, Committee Update, 2025 Sustainability Series and HPM column

---

### **May/June:**      **Date Due to NLGI: May 5, 2025**

President's Podium:	Wayne Mackwood
#2414	Gabriel Caleron-Salmeron, Sergei Glavatskih, KTH Royal Institute of Technology Johan Leckner, Axel Christiernsson International AB <i>Towards More Sustainable Grease Lubrication: Measuring and Understanding Friction Losses in Grease-Lubricated Electric Motor Bearings</i>
#2415	Jacob Bonta, Valvoline Global Operations/University of Kentucky Jonathan T. Pham, University of Cincinnati

*Characterizing Lubricating Grease Thixotropy at Different Recovery Strains*

Interview: Brandi Ford, Afton Chemical Corporation

Additional Information: 92<sup>nd</sup> Annual Meeting Schedule, Committee Update, Sustainability Series and HPM column

---

**July/August:**                   **Date Due to NLGI: Jul 7, 2025**

President's Podium: Wayne Mackwood

#2420                   Yoshiyuki Nagasawa, Ryosuke Saito, Daisuke Tsutsui, KYODO YUSHI CO., LTD  
*New PAG Urea Grease Proposal*

#2413                   Gareth Fish, Devon McCune, Chris Hsu, Jennifer Clark, Robert Dura, The Lubrizol Corporation  
*A New High Performance Calcium Grease as an Alternative to Lithium Complex Greases*

Interview                   Mihir Patel, PhD, Chevron Oronite

Additional Information: Annual Meeting Recap (Award recipients, photos, statistics on attendees & course participants),  
Committee Update, Sustainability Series and HPM column

---

**September/October:**                   **Date Due to NLGI: Sept 8, 2025**

President's Podium: Wayne Mackwood

#2421                   Kartik S. Pondicherry, Paul Staudinger, Anton Paar GmbH  
*Electro-Tribological Testing of Grease Under Dynamic Conditions*

#2405                   J. Andrew Waynick  
*Calcium-Magnesium Sulfonate Complex Greases – The Two Polar Opposites of Rheology, Part 1: Extreme  
Rheopectic Rheology*

Interview                   Hong Liang, PhD, Texas A&M University

Additional Information: Committee Update, Sustainability Series and HPM column

---

**November/December:**                   **Date Due to NLGI: Nov 3, 2025**

President's Podium: Wayne Mackwood

#2405                   J. Andrew Waynick  
*Calcium-Magnesium Sulfonate Complex Greases – The Two Polar Opposites of Rheology, Part 2:  
RIODOT Rheology*

#2406                   Joseph Kaperick, Darryl Williams, Afton Chemical Corporation  
*Recipes for Success: The Impact of Various Promoter Systems on Calcium Sulfonate Complex Grease  
Performance*

Interview                   Taylor Hudson, Valvoline Global Operations

Additional Information: Year-End Recap, 2026 Abstract Info, 2026 Award Info, 2026 Research Grant, Committee Update,  
Sustainability Series and HPM column
